

Tuesday 23rd February 2021

Dear children,

I know that you have all been working so hard at home during January and February. School staff have been overwhelmed by your positivity, resilience and efforts in home learning. It has been a strange and challenging time for everyone but together, we have made it work. I am so proud of you all and have once again been reminded of how awesome you are!

Boris Johnson announced last night that ALL children will be returning to school on Monday 8th March. I am sure lots of you already know this or may have been spoken to by your parents about it. The Sutton Park Primary team are really looking forward to seeing you all and having you back in the school building.

Before that can happen, lots of planning and preparation is needed. So, in the coming days, I will be meeting with leaders from across our five schools to plan for reopening school to everyone. I will write to you and your parents with more information soon.

When we return, it is going to be a real team effort! I am going to need help from you and your parents to keep us all safe. Lots of the things which were in place before like staggered start times, social distancing, hand gel and class bubbles will continue. We will share any information with you in plenty of time so that you can read it with your parents and prepare for returning to school on the 8th March.

In the meantime, our remote learning offer continues. Remember, your teachers are here to support you and to answer any questions you may have. Our whole-school assembly will also continue each Friday to celebrate achievements, share a story and set a new 'Head's Challenge'. I look forward to seeing you then.

Take care and stay safe,

Mrs Middleton
Head of School
