School Newsletter—Wednesday 9th November 2022

Welcome to the latest edition of our whole-school newsletter. It has been a great start to the new half term with the launch of class-led assemblies, more Roots to Fruit enrichment, two themed lunch menus and some amazing learning happening across the curriculum.

Mrs Dunning has launched our school value for this half term: Inspire. This builds on from our Autumn term 1 focus on our core value 'believe'. This half term we will continue to come together for two whole-school assemblies each week. On Mondays we will focus on our core school values, on Thursday we will be celebrating success with our 'best seat in the house' assembly.

With Christmas rapidly approaching, you will find information about our upcoming Christmas Fayre in today's newsletter. If you are able to give any time to support with setting up the Fayre, manning a stall or preparations please let me know via the enquiry@ email address. Events like this aren't able to happen without support and man power so a huge thank you from me to those parents who have already come forward. Please also support our donation day on Friday 2nd December to enable traditional stalls like our chocolate and bottle tombolas to go ahead.

Thank you for your continued support,

Mrs Middleton, Head of School

In Nursery we were ready to begin our first topic of the year, Autumn. The children immersed themselves in everything autumn at school and at home, this included going on an autumn walk with their families over the half term break to bring the topic to life. The children had plenty to talk about, Thank you parents for your support with this!

Mrs Nicholson and Mr Murphy

6D—You have been working so hard in our Science topic focusing on the circulatory system. The 3D clay heart models that you have made are fantastic! They are scientifically accurate and the depth of your explanations is so impressive. Well done!

Miss Dhillon

School dinners:

Our school kitchen provide delicious, well-balanced meals everyday to over 160 pupils! Our new winter menu has been launched (see right) and there will continue to be a selection of hot and cold meal choices each day.

Did you know that if your child is in Reception, Y1 or Y2 they are automatically entitled to a free school meal under the government's universal meal scheme? With the growing cost of living, why not let school ease the burden of packed lunch prices by taking up this offer? Speak to our school office if you'd like to make the switch to universal meals.

School uniform:

It is important for pupils to feel proud to be part of the SP community and to have the sense of belonging to/representing our school that comes with wearing our uniform. We know that times are challenging for families and have noticed an increasing number of children coming into school without uniform. Please speak to a member of the Senior Leadership Team if you are experiencing financial difficulty. We will do our best to signpost services that may be able to help.
