

Smart Start Out of School Care

at Sutton Park Primary School

Smart Start Out of School Care is a new facility being provided by Smart Start Day Nursery at Sutton Park Primary School. The team, made up of highly experienced childcare practitioners employed by the local Smart Start Day Nursery, will be operating the club from a designated hall within the school premises. All staff are DBS checked, highly motivated and enthusiastic about giving your child the best quality care in a calm but stimulating environment.

Opening times are from 7:30am to start of school at 8:45am and end of school at 3:15pm to 6:00pm. During these times your child will be supervised and challenged as they enjoy a variety of activities including arts and crafts, role play and outdoor free play. This service, which includes a breakfast of cereals in the morning and a snack of fresh fruit in the evening, with water being provided throughout, is £5.50 per hour. An additional cost of £1.50 can be added if you wish for your child to be provided with a tea of freshly made sandwiches in the evening. If you wish for your child to attend morning and afternoon sessions for the full week a discounted rate will be charged (see booking form).

Our aim is to provide a safe, secure and fun service that can support families and enable children to continue their learning while in a more relaxed environment.

If you are interested in this service and would like more information, please contact Charlotte Luczak on 0121 353 1166. Alternatively, if you would like to book your child a place for the beginning of term please complete an application form along with a non-refundable deposit of £20 and return to Smart Start Day Nursery.

Yours sincerely,

Charlotte Luczak
