

Message from the Head of School:

As we dive head-first into the final three weeks of term, I know the suspense has been building for which class/teachers your child will have in September. The information you have all been waiting for is included in this newsletter. Staff are looking forward to spending some time with their new classes this Wednesday for National Transition Day. Our Y6 pupils will fly the nest for the first time this week for their Y7 transition days too - we wish them lots of luck for this and know they will do Sutton Park proud by setting a great first impression.

Our final day trip for the academic year happened last week with Nursery having a wonderful time with the Sutton Park Rangers. Thank you to all of the family members who joined them for the family picnic element of the day.

Our Y6 residential departs this weekend and those going are in for a fantastic weekend of adventure, fun and memory-making. I would like to say a HUGE thank you to the staff who are giving up their time to support this vital experience: Mrs Johnson, Miss Teer, Miss Kaur, Miss Maltby and Mrs Dunning. You are all stars!

I hope everyone enjoys the week ahead.

Mrs Middleton

Prize-Giving Evening:

We are really looking forward to celebrating our prize-winners this evening at our annual awards night. Well done to all those who received invites and thank you to our choir for their performances too.

BEST SEAT IN THE HOUSE ASSEMBLY:
Due to school being closed on Thursday for POLLING DAY, there is no star assembly this week. It will return next and names will be shared on next Monday's newsletter.
Thank you ☺

Lily's fundraising:

Lily in Y6 is starting a fundraising challenge with her grandma today which will run until the end of September. Together they are aiming to walk 1 million steps!! (500,000 each.) They are doing this to raise much-needed funds for Diabetes UK.

By taking on such a huge challenge Lily is embodying our school values of BELIEVE-INSPIRE-ACHIEVE outside of school and we wish her all the best for this challenge.

If you would like to donate to her fundraising, the Just-Giving page can be found here: [Support Lily in the Diabetes UK - One Million Step Challenge](#)

Attendance Matters

Attendance: Attendance to school is a legal requirement and being in school every day and on time is proven to improve pupil outcomes. All classes are aiming for at least 96% attendance across the academic year. The table below shows attendance scores for each class last week.

Well done to 2T and 3B who both met this target last week.

Other classes have work to do! Be in school - on time!

School Office:

Our school office team have recently been receiving a high number of calls and queries about calendar dates and event timings. All of this information has been shared with parents since September via our annual calendar dates document, via Class Dojo messages and via Class Dojo calendar events too. Please check these carefully before calling; the office is extremely busy with end of year tasks and managing visitors. Please support them by checking comms before calling. Thank you in advance for your support with this.

Nursery trip:

Nursery had an amazing day with Daniel, the park ranger. He showed us the best places to look for mini beasts. We found all sorts of bugs - spiders, snails, millipedes, beetles, worms and many more. We ended the morning with a lovely family picnic in the park.
